EDUCATION

BCA (Hons.), Sep. 2023 - Present

AKS UNIVERSITY, Satna, MP

CGPA : 8.17

Class XII, MP Board - 2023

Shindhu Higher Secondary, Satna, MP

Class X, MP Board - 2021

GCRDS High School, Kitha, Satna, MP

PROJECTS

BloodWeb — *Real-time Blood Donation System*

Built a full-stack web app to connect donors and recipients with real-time request management. Integrated authentication, live socket notifications, and secure role-based access. Used AI tools (e.g., ChatGPT) to accelerate backend implementation, while focusing on learning authentication, database integration, and deployment hands-on.

- **Tech Stack**: Node.js, Express.js, MongoDB, Mongoose, JWT, CORS, HTML, CSS, JavaScript, Socket.io
- **Web Hosting** : Frontend on Netlify, Backend on Render
- 🌐 **Live :** https://bloodweb2.netlify.app
- 🔗 **GitHub:** Frontend | Backend

Portfolio Website— *A static self-built portfolio site*

Responsive single-page portfolio showcasing projects, built with smooth animations and clean design.

Stack : HTML, Tailwind CSS, JavaScript, AOS

TECHNICAL SKILLS

🖥 **Languages:** Java (Infosys Certified), JavaScript

⚙**Familiar with:** C, C++ (academic exposure)

🌐 **Web:** HTML, CSS, Tailwind, Node.js, Express.js

🗄 **Database:** MySQL (learning), MongoDB (project-used)

💼 **Tools:** Git, GitHub, VS Code, Netlify, Render, Chrome DevTools

SOFT SKILLS

- Problem-solving mindset,
- Self-learning & initiative-taking,
- Time management,
- Communication
